

# FLAG POLE

Compatible with 1" Chords and 2" Chords

©2015 EXHIBIT AND DISPLAY TRUSS.COM

## Flag Pole

For hanging flags or small banners on truss systems and finish lines. Compatible with 1" and 2" tube.

1"Ø or 2"Ø Pipe pocket required on banner/flag.  
1"Ø for truss systems made with 6" or 9" wide truss.  
2"Ø for truss systems made with 10" or 12" wide truss.

Pipe Pockets slide over tube.

Flag pole tube available with 1" or 2" Extender Hook Clamps for 1"Ø or 2"Ø Chords. Extender Hooks swivel and allow flag to be on angle and moved to desired height along truss.
